

Scripts for the 2001 Best Actress Competition

Princess Contestants

Want to see the cut under my BAND-AID Bandage? Mommy says to keep it covered so it will heal. Hey! Where did it go? It really was right here!

Sweetheart Contestants

(Pretending to be a king or queen)

I hereby decree that all kids must be given the right to eat cereals that taste good!

Parents must let their children choose their own cereal - after all, they are the ones eating it!

No longer will we eat cereals that taste like the boxes they come in!

There will be FROSTED FLAKES for everyone!

(Sitting with Tony the Tiger eating cereal)

I thought that went pretty good.

(Tony says - "Good? That was GRRRRRREAT!")

Preteen Contestants

(Standing - dressed very badly - excited about what she is saying)

Don't you just love birthdays?

This year I got the cool bike I've been wanting....

My best friend got me some awesome CDs....

I finally convinced my parents to even get me a dog!

My Aunt Sally came to my party with my Mom's friend Alice Baker....

They brought me clothes, as a gift....(looks and sounds disappointed)

These clothes! (gestures at what she is wearing)

Aunt Sally, Mrs. Baker, have you ever heard of THE GAP?

Oh yeah.....THANKS.

Junior Teen

I used to get very little attention....

So I tried everything I could think of to get noticed.

I wore florescent colored clothes....talked really loud....told really bad jokes!

Then one day I decided it was time for a hairstyle change.

Little did I know that the only thing I ever needed for the attention I craved was a visit to SUPERCUTS!

As soon as I walked out their door I was turning heads!

That was four weeks ago....People are still asking me where I got my hair cut!

SUPERCUTS....OKAY.....SUPERCUTS!!!!

I can't handle all of this attention.....(sigh).

You have got to go to Florida for vacation, there is so much to do and see but you have to spend at least two weeks there to get it all in.

Every morning our family would try to decide what to do. One person would want to go here and another would want to go there. So we ended up writing down all the fun things to do, throwing them in a big bucket and drawing.

We went on so many awesome rides and saw the funniest shows. Oh yeah, and I went swimming in the ocean for the first time!

The only bad part was I didn't get to go on my favorite ride. Well, hopefully next year we will go back! Hey, maybe we can stay longer and I'll make sure we go where I want to go.
